#### **TC Club Parents**

Trinity Court's term and holiday dates are set according to information we collect from the Education Department. Primary schools have a number of inset days throughout the year. These are used as staff training days and schools are closed to children. We make an effort to provide holiday club services on as many inset days as possible. As a registered provider of funded early years education, Moorland Nursery School has an obligation to provide a specific number of educational sessions during each term. Unfortunately it is not possible to cover every inset day for every primary school (please see overleaf).

Below is a grid showing the inset days about which we are aware. It indicates those schools which we expect to be closed\*; it also shows whether TC Club will be operating Holiday Club on those days.

\* We have attempted to ensure this list is complete and correct. Gaining advance information about inset days is often difficult. We suggest you confirm the information with your child's primary school before making arrangements based on it.

Primary schools generally have five inset days per year. This grid shows the dates that we are aware of at 15<sup>th</sup> September 2011.
